

MICROCHIP CONSENT FORM

- **More than 10 million pets get lost each year.**
- **One third of all pets, including 'indoor-only' cats and dogs, will become lost during their lifetime.**
- **90% won't return home without effective identification.**
- **Unfortunately, getting lost is the number 1 cause of pet death.**
- **A microchip can ensure a pet's protection and safety if ever lost and then found.**
- **Microchipping is as quick and painless as when we administer your pet its regular vaccinations.**
- **It is fast, easy and safe.**
- **At Cobble Hill Animal Clinic, we strongly believe in microchipping as a Standard of Care for all our feline and canine patients.**
- **For just \$75.00, we can microchip your pet today during your regular visit and enroll it in the HomeAgain® Pet Recovery Service.**
- **This special price includes the microchip, the injection and the first year service with HomeAgain.**
- **We recommend this life saving procedure and service as Responsible Care for your pet.**
- **For any previously chipped pet with any brand microchip the membership is \$16.99 per year.**
